Revathi Anilkumar

I am Revathi Anilkumar , student of standard 10th. I joined Phalashruti for my 10th board examination and I was very impressed and satisfied by the mock papers and online guidance provided . It helped me boost my confidence in writing papers and gave me a vivid picture about the paper pattern and the marking scheme. The guidance, although online, was given by qualified and experienced teachers . They helped me overcome my shortcomings by correcting each and every mistake and guiding me thoroughly. The tips provided by them were very useful and needed . It prepared us well and got our queries and doubts resolved. I sincerely thank Phalashruti.

Pratishtha Vishwakarma

My parents enrolled me in phalashruti mainly because I always faced difficulty in completing my papers in time. I was expecting nothing more than just writing the papers and submitting them. But it turned out to be a completely enriching experience. In the beginning there were lectures of various subject experts regarding the do's and don'ts, weightage, importance, paper pattern, how to study , syllabus, etc. . Every session increased my confidence and helped me overcome the fear and uncertainty regarding the exams. Every thing is so well planned and well coordinated. We received written copies of the entire information of every session. Along with our corrected copies we were also provided answer keys of the question papers so that we can correct our mistakes. It was a well integrated program combining both conventional (written material) and non conventional methods (online counselling and guidance lectures) . We were constantly in contact through whatsapp, emails , YouTube videos, printed materials and so on. I can lastly say with conviction that phalashruti does not leave any stone unturned to give us a complete thorough understanding, knowledge and support to do our best in the boards.

Aarya Sawant

I come here to tell my experience towards the Phalashruti programme. They were Very kind and humble in guiding me which helped me to improve my skills and intelligence and endure it in a right direction.

- Phalshruti had thrown a light in me to help me improve every potential and to never give up. Their meticulous method of correcting the papers helped me boost my motivation and to work on every challenge through a positive outlook. They threw light on me to find solutions in the correct way and to cover every point of scoring. Their precious guidance had made me more stronger and brighter with their model answers being apt for points of scoring. Their management was very good and responsive. Lastly I would like to thank them to provide me such an overwhelming guidance at the time of Covid_19 pandemic.

Devang Keni

I am Devang Keni. I am very fortunate to be a student of Phalashruti shikshan Mandal. The test series conducted by them was extremely useful, especially with the pandemic I was able to give my 100% during the period allotted for writing papers at home.

The corrections were done very meticulously by the experienced teachers and the cherry on the cake was the Online FTF guidance. The one to one guidance by teachers literally gave us lot of motivation as the faculty cleared all the doubts and explained in details the mistakes done and the scope of improvement. The model answer papers are exceptionally good. I wish more students join these Test Series so that they can also improve their scores in the Board examination. Unfortunately our exams got cancelled, otherwise I would have been definitely scored 95+ % in the SSC examination. Thanks to entire team of Phalashruti and wishing them All the Very Best

Aditi Bhande

Hello! I am Aditi Bhande a student of Phalashruti Shikshan Mandal 2020 - 2021 batch. Phalashruti really helped me in getting an idea about the type of questions that we are to be faced with during the examination.

The practice papers and guidance sessions held by them increased my confidence and knowledge and made me ready to face the exams. I liked the fact that each and every child was given equal attention. I will always be grateful to Team Phalashruti for their efforts .

RISHIT PAWAR

I, Rishit Jagannath Pawar would like to express my sincere gratitude towards Phalashruti Shikshan Mandal for helping me throughout my SSC Board Exam preparation. The Phalashruti Shikshan Mandal has played a vital role in my exam preparation.

In the beginning I was confused on how to plan my studies and prepare for tests, but PHALASHRUTI has helped me in planning my studies by conducting Subject Guidance Sessions in the beginning of the year. Solving 5 sets of papers has helped me a lot. Each question paper was challenging and level of difficulty was very good. Questions were unique every time. Especially in language subjects, the topics given in writing skills were very different which made me express my ideas and elaborate them in very interesting way.

Due to Covid 19 pandemic, one to one solved paper guidance was not possible physically. But thanks to entire PHALASHRUTI TEAM, because of their excellent team work and co-ordination, Face to Face guidance sessions for each set of paper was possible virtually. I also thank all the teachers of PHALASHRUTI for giving me their valued guidance for each answer paper, correcting the papers strictly and minutely, highlighting my mistakes and giving a detailed analysis of my paper such as quality of answers, paper presentation and of course how to improve for the next time.

Though offline SSC Written Board Exams for the year 2021 could not be held the techniques and tips which I learnt in PHALASHRUTI guidance has boosted my confidence and will surely help me in my future studies.
