**Sanjana Ranade**

I am Sanjana Ranade. I have scored 99.8% in SSC board exams. I am extremely thankful to teachers of Phalashruti. The three test series was a very useful practice for solving papers. The expert guidance and tips given by the teachers help me to improve my presentation of answers which had resulted in my good score. I once again wholeheartedly thank you Phalashruti.

**Sanjana Ranade Thakur Vidya Mandir, Kandivili 99.80**

My experience at Phalashruti was wonderful. I thought Phalashruti is only about solving papers but it is a lot more than that. Papers are checked multiple times like in the boards. After that there is a guidance session where your mistakes in the papers are explained to you. During the uncertain times of Covid-19 pandemic Phalashruti helped me give my best for the boards and boosted my confidence.

I want to thank the entire team of Phalashruti for guiding my daughter through her 10th Std. I am very much grateful to team Phalashruti for their timely help. This year their mode of operation was through video call and it was very well managed. The video calls were timely announced and all doubts of my daughter were cleared in the call itself. 4 years ago even my son was enrolled in Phalashruti and even he had a great experience. Thank You !

Along with thousands of students, I Devendra Kulkarni, feel very fortunate to have received the splendid guidance by phalashruti and converted it into success at the SSC Board Examination 2022. The entire staff was very cooperative and the teachers meticulously helped me to become better day after day. There were comprehensive videos, which primarily gave me a brief idea about the pattern of the exam. A noteworthy fact about the papers was that they were beautifully designed to give us, the perfect idea of a plethora of possible questions.
